I-BEAM

Ingenious yet simple. Raw yet refined.

I-beam captures the unique fusion of extremes.

I-beam is a paradox, a powerful statement made in an understated way.

Like anything that 'just works', I-beam will never be upstaged because it never assumed status in the first place. It doesn't need to. I-beam is the sum of ingenious ingredients that form the perfect whole.

Designers Comment:

"For me, the sense of achievement with this product must be like the feeling a renowned chef experiences when they discover that unique blend of ingredients that 'just work'."

Key features

Blackened Mild Steel (Leather Inlay)

Solid Surface Material (Corian)

Modular on specification

Easy to specify modular components CAD and BIM files available

Height 750mm as standard

DDA modules available

Various colour options available

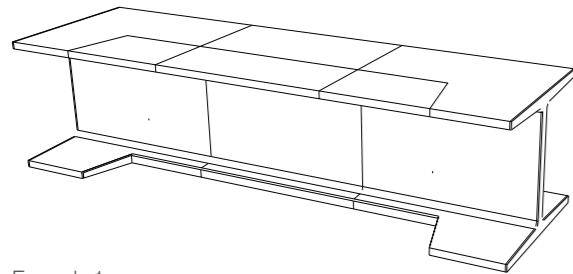

Available in 4-6 weeks

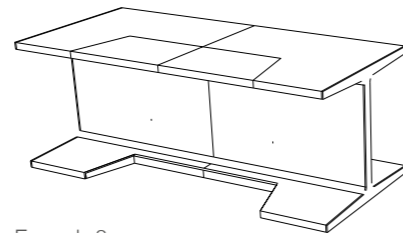

Download drawings:

I-Beam Typical Configurations & Modules

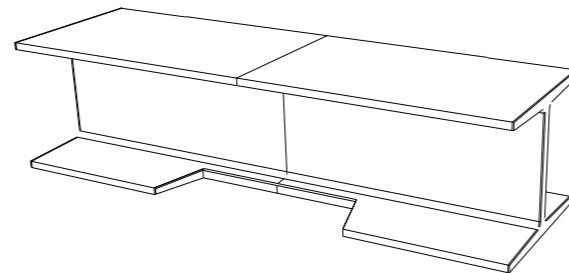

Example 1
Made up of modules; IBM-EM1 /1000, IBM- IM1 / 1000, IBM-EM2 / 1000

Example 2
Made up of modules; IBM- EM1 /1000, IBM- EM2 /1000

Example 3
Made up of modules; IBS- EM1 /1200, IBS-IM1 / 1200, IBS- EM2 / 1200

Example 4
Made up of modules; IBS-EM1 / 1500, IBS-EM2/ 1500

To specify the I-Beam reception desk, request the drawing model files by emailing us: hello@receptek.co.uk

I-Beam Modules

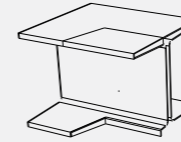

Left hand end modules

Right hand end modules

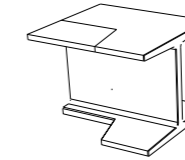

Intermediate modules

Select Steel/Leather Modules

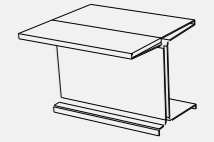

Module Name:
LH Metal End
- With user insert
Module Code:
IBM-EM1/1000
Module Size:
1000x900x750mm

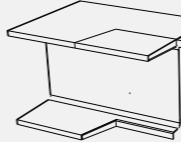

Module Name:
RH Metal End
- With user insert
Module Code:
IBM-EM2/1000
Module Size:
1000x900x750mm

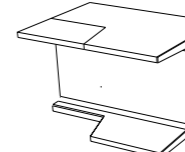

Module Name:
Intermediate module
- full length user insert
Module Code:
IBM-IM1/1000
Module Size:
1000x900x750mm

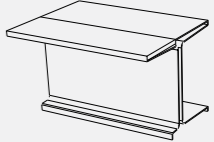

Module Name:
LH Metal End
- With user insert
Module Code:
IBM-EM1/1200
Module Size:
1200x900x750mm

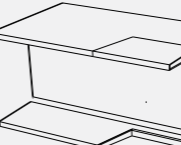

Module Name:
RH Metal End
- With user insert
Module Code:
IBM-EM2/1200
Module Size:
1200x900x750mm

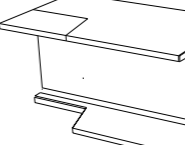

Module Name:
Intermediate module
- full length user insert
Module Code:
IBM-IM1/1200
Module Size:
1200x900x750mm

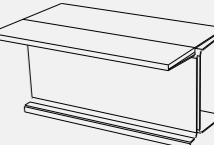

Module Name:
LH Metal End
- With user insert
Module Code:
IBM-EM1/1500
Module Size:
1500x900x750mm

Module Name:
RH Metal End
- With user insert
Module Code:
IBM-EM2/1500
Module Size:
1500x900x750mm

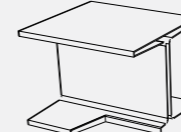

Module Name:
Intermediate module
- full length user insert
Module Code:
IBM-IM1/1500
Module Size:
1500x900x750mm

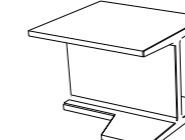

Select Corian Modules

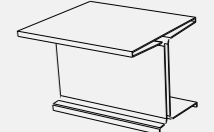

Module Name:
LH SS - No insert
Module Code:
IBS-EM1/1000
Module Size:
1000x900x750mm

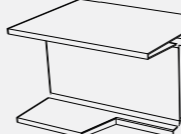

Module Name:
RH SS - No insert
Module Code:
IBS-EM2/1000
Module Size:
1000x900x750mm

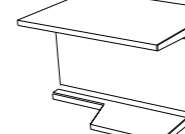

Module Name:
Intermediate module
SS -No Insert
Module Code:
IBS-IM1/1000
Module Size:
1000x900x750mm

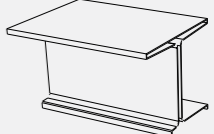

Module Name:
LH SS - No insert
Module Code:
IBS-EM1/1200
Module Size:
1200x900x750mm

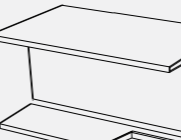

Module Name:
RH SS - No insert
Module Code:
IBS-EM2/1200
Module Size:
1200x900x750mm

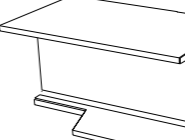

Module Name:
Intermediate module
SS -No Insert
Module Code:
IBS-IM1/1200
Module Size:
1200x900x750mm

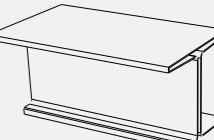

Module Name:
LH SS - No insert
Module Code:
IBS-EM1/1500
Module Size:
1500x900x750mm

Module Name:
RH SS - No insert
Module Code:
IBS-EM2/1500
Module Size:
1500x900x750mm

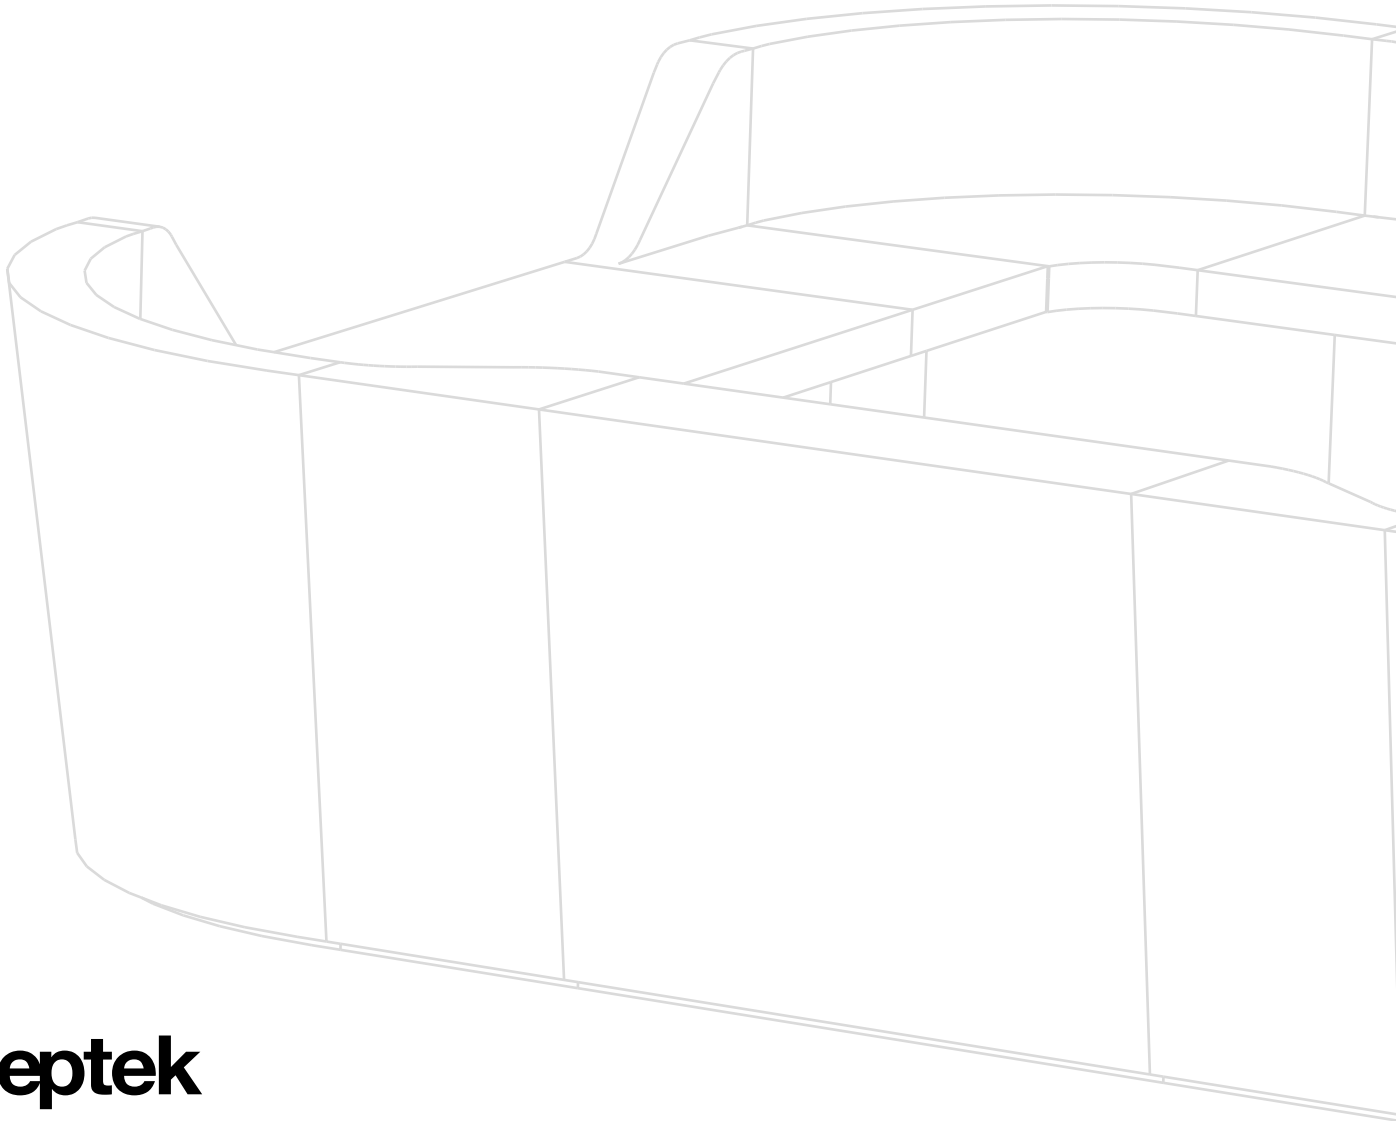

Module Name:
Intermediate module
SS -No Insert
Module Code:
IBS-IM1/1500
Module Size:
1500x900x750mm
